YES. You should still attach the "who can sign the petition" sheet, and it needs to be circulated with a summary of the management plan provisions and services as well as a map and a statement of the location and times the full plan can be reviewed (The City Clerk's Office from 8am to 4pm).

Attached is the "who can sign" sheet which has not changed.

Please note: if the petition signer is signing for a corporation, company, or any other entity which falls under guideline #2 And their corporation, company, etc requires two separate signers on the petition, you may adjust your petition to accommodate as needed. However, our assessment ballot format only provides one signature space and cannot be adjusted. On the ballot, they would both have to sign on the same line.

Let me know if you have any questions.  
Thanks.

Thanks Paul. So there is no descriptive statement attached any more?

Hi Don,

The only thing that has changed about our petition format is adding the "STATEMENT OF AUTHORITY TO SIGN" box in the middle of the petition. We would want petition signers to fill out the statement box attesting that they are authorized, and then fill out the petition agreeing to the assessment. So, everyone signs twice.

Let me know if you have any questions or problems with the form (If you are going to copy any portion of it, the formatting may be tricky).

Thanks  
-Paul

I should get the final revisions from the attorney tonight. You should  
have them tomorrow AM.
